PREMIERS CONFER AT HYTHE TO-DAY

Lloyd George and Millerand Going to Boulogne.

Lenden, June 19.—A conference between Premier Lloyd George and Premier Millerand of France has been arrespect for this afternoon and Sunday at lighte, the watering place in Kent which was the scene of the notable conference was the scene of the notable conference for the scene of the notable conference of the scene of the notable conference of the scene of the notable conference of the scene Ween the two Prime Ministers in May The Hythe meeting is preliminary to

onference at Houlogne on Monday, at which not only France and Great British but Italy, Japan, Belgium and Greece will be represented. From Hythe the Premiers will proceed early on Monday for Boulogne.

In Premier Lloyd George's party at livthe will be Earl Curzon, the Secretary of Foreign Affairs; Austen Cham-berlain, the Chancellor of the Ex-thequer, and Sir Henry Wilson, the hief of the Imperial Staff,

In M. Millerand's party are Marshal ch. Frederic Francois-Marsal, Mintsof Finance, and others.

ans, June 19.—The conference at on between representatives of the Allies and Germany, originally set for June 21 and later postponed to July 5, will not be held until July 10, according to the 1-ho de Paris to-day. The reason for further postponement, the newspaper dical parties are encountering in atthat of Chancellor Mueller, which re

Signed June 5. The Petit Parisien states that th French and English financial experts complete harmony and have adopted the principle of international loans based on the German indemnity.

STOCKHOLM, June 19.—Excitement is growing in the Aland Islands, and only the restraint of leaders is preventing a proclamation of independence by the people there. Mr. Sundblom and Mr. Bloerkman of the Swedish Mission to the Alands have been arrested by Finns, subjected to indignities and allowed neither to communicate with their few. neither to communicate with their families nor to see any one.
Finland, it is asserted, continues to

send war material, gons and ammani-tion into the Aland Islands, and is said to have increased the garrison there by 400 Flanish speaking soldlers. These troops marched through the streets of Mariehamn, the most important town in the archinego vertebray. Parin the archipelago, yesterday. Residents of the Alands are refused per-mission to leave the islands.

BRYAN STILL HOLDS

decounty, which will receive a por- Leaders Scornful But Auxious Over His League and Prohibition Planks.

NEW YORK DELACE. Sax Francisco, June 19. - The Democratic convent on will be principally cli-mate and scenery, gowip and earnest pursuit of news netit William J. Bryan's arrived in town. He is counted on for at least one lusty row a day, and judging from the nerrousness of some of the mea who expest to opcose him he is goin; to be a formidable figure despite his much advertised loss of prestige since he swung the nomination to Woodrow Wil-

son in Balfimore in 1912. The politicians lead you to a red plush thair in the Paince Hotel and tell you Bryan is only a ghost and the ghost is laid. They aver most solemnly that his personal influence long survived his politions with Russia before its British comladd. They aver most solemnly that his demanded its entering into trade relations with Russia before its British content influence and that now both are petitors. He characterized French policies. Bryan, they say, doesn't count by as hostile and Italian policy as not this time, that his leadership has no clear, while Germany was afraid of the

more substance than the mists of Tamal-pas. And in the next breath they ask respective and third, an agreement source with the first apparently nobody knows, the foreign loans they are additional foreign loans they answer, "I wish I did," and heaving writers. sigh, they walk away to tell somebody is: that Bryan is dead.

There is in fact a feeling that when be Commoner arrives with his prohibition and League of Nations planks and new paramount issue of which rumor peaks he will at least have following nough to give him the veto power lew of the convention's two-thirds rule. nd that no platform can be adopted, no undidate selected without his indersenent. This feeling is based not so much on alsy numerical strength that he posnesses as on his masters of procedure. AMERICAN AVIATOR Eastern member of the National Committee said to-night that the anti-Bryanites were numerous and determined, but that if there was a clash in the convention Bryan, with his vetBolsheviki Across Dnieper. plan discussed at Hythe provided eran's skill, could tie up the whole thing

lahoma. He came early and ettled himself and his agreeable wife in the St. Francis Hotel. He regards almost! as the probable nomines, not us a Juck fore, when that fact is demonstrated, to whom should the party turn but "the real father of the Federal Reserve the consistent prohibitionist, but

the far from bigoted Oklahoman? Oklahoma has only twenty votes but unit and individually for Owen amed half the delegates himself and he party the other half. As to prohibition, he's for enforcement of the Figh-leenth Amendment. If the people want to repeal it, that is another matter. He thinks the hig issue is the high cost ship did not take fire of living and has specific remedies in Again Lieut.
